Saturday, July 30th 2022
1-5pm

“Once my loved ones accepted the diagnosis, healing began for the entire family, but it took too long. It took years. Can’t we, as a nation, begin to speed up that process? We need a national campaign to destigmatize mental illness, especially one targeted toward African Americans...It’s not shameful to have a mental illness. Get treatment. Recovery is possible.”

Bebe Moore Campbell, 2005
